# Market Place On Broadway

*Welcome To  
Southern  
Oklahoma's  
Largest  
and  
Friendliest  
Farmers  
Market*

# Welcome To Market Place On Broadway!

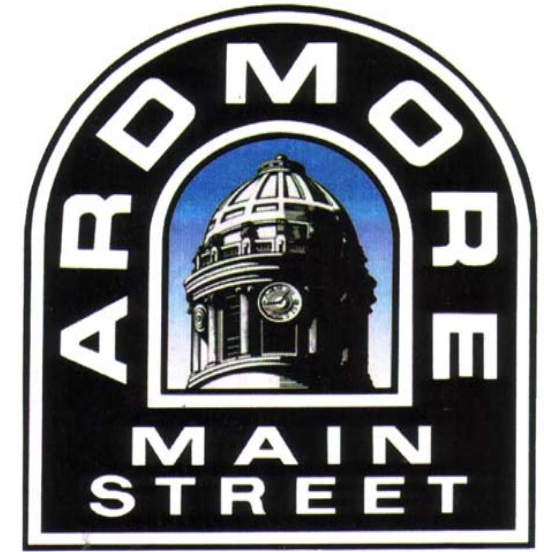

Market Place on Broadway, is the new Farmers Market located at 106 East Broadway. This new covered and enclosed facility is where Oklahoma grown fresh vegetables and fruits will be available to consumers. The average piece of produce travels 2000 miles before it reaches you and with each day loses more of its nutritional value. Shopping at Ardmore's Market Place on Broadway helps local family farmers stay in business, preserves quality local food sources for Oklahoma while using less resources, and most importantly, provides you with access to the freshest and most nutritious produce available.

## We Grow What We Sell

The Market Place on Broadway takes pride in bringing you locally grown vegetables, fruits, flowers, plants, nuts, baked goods and soaps & lotions, sold by the farmers that produce them. While you're purchasing your fresh vegetables and fruits—many of them organically grown—enjoy a tasty pastry from local bakeries or a cooking demonstration given by local restaurant chefs, book signings by cookbook authors and much more.

## Market Hours and Dates

We are open year round! Summer Market hours: Wednesdays and Saturdays 7:30 a.m. to 12:00 noon, Mid-April through Mid-December. Winter Market hours: Saturdays 10:00 a.m. to 1:00 p.m. January through Mid-April.
